

Danno

I told Danno that I was enrolled in the Bible College, and that, as part of our assignment, we have to talk to people about Jesus. He was agreeable.

He told me that he has accepted Jesus Christ as his Lord and Savior, and that he will spend eternity in heaven. He said that his eternal destiny is based solely on his faith in Jesus.

He told me that he has been baptized twice, the last time in the 1980s, by Chaplain Turnipseed. He also said that he has successfully completed a Bible study course which Chaplain Turnipseed taught. He said that he was rewarded with both a Bible and a certificate.

He said that he had attended one of the first KAIROS retreats back in the 1980s, when the weekend retreats were held at Unit 30. (Currently weekends are held in Units 29 & 32). He said that he had spent four years in Unit 30.

Danno is married, and his wife visits him just about every V-day. He said that his wife is very religious. After visiting him on Saturdays, he said his wife goes to church every Sunday.

Danno said that he reads his daily devotional booklet every day, and that he is satisfied with his faith walk.
