

### **Folsom**

Folsom, the person who sleeps in bed 171 is very quiet. I gave him the standard introduction: I told him I was enrolled in the FBI; I told him that we have a class assignment to share our faith with at least 16 people; and I asked him if he had any objections to talking to me.

He told me that he accepted Jesus as his personal Savior a long time ago. He also told me that he had been baptized a long time ago.

He was unsure of his eternal destiny. I quoted John 3:16. I told him that the passage mentions “whosoever”, which includes him.

He told me that he reads his Daily Bread devotional every day. He told me that he is satisfied with his current faith walk.

He told me that he is a friend of Big Shot’s. I told him that I know Big Shot from KAIROS.
